

# Yes! I'm taking the local food challenge!

I, \_\_\_\_\_ and \_\_\_\_\_ members of my household pledge to eat only food that is produced in Saskatchewan, starting on November 10, 2007 until November 23, 2007 for the following meals (check as many as apply to your pledge):

Breakfast  Lunch  Dinner  Snacks  All food eaten at home

Check out the Blog at [www.SaskatchewanFoodChallenge.blogspot.com](http://www.SaskatchewanFoodChallenge.blogspot.com) and share your experience with others. You can read and post comments, ask questions, suggest recipes etc.

Celebrate completing your 2-week local food pledge with us on Friday November 23 at the Saskatchewan Eco Network's Environmental Film Festival at the Roxy Theater. Featured films are "We Feed the World" and "Beyond Organic"

The Good Food Fair was organized by the Saskatoon Food Coalition, CHEP Good Food, Oxfam Canada and the Beyond Factory Farming Coalition.
