

WHAT IS CHEP?

CHEP works with children, families and communities to improve access to good food for all and to achieve food security.

CHEP's vision is of a community where good nutritious food is always available for everyone no matter what their circumstances, where there is care for the environment, support for farmers, access to local food production, and knowledge about making healthy food choices.

Other food actions supported by CHEP:

Children's Nutrition Programs

The Good Food Box
